TERMS AND CONDITIONS OF INVITATION FOR BIDS

READ CAREFULLY

1. GENERAL CONDITIONS

Bidders (hereinafter “bidders”, “vendors” or “contractors”) are required to submit their bids upon the following expressed conditions:

- (a) Bidders shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.
- (b) Bidders shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment as required by the bid conditions. No plea of ignorance by the bidder of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation to the vendor.
- (c) Bidders are advised that all City contracts are subject to all legal requirements provided for in the City Charter and/or applicable City Ordinances, state and federal statutes. Any bid, after being opened, becomes subject to the Public Information Act, Government Code Chapter 552; therefore bidders must clearly indicate any portion of the submitted bid that the bidder claims is not subject to public inspection under the Public Information Act.
- (d) No officer or employee of the City shall have a financial interest, direct or indirect, in any contract with the City, or shall benefit financially, directly or indirectly, in the sale to the City of any materials, supplies or services, except on behalf of the City as an officer or employee. This prohibition extends to the City Public Service Board, San Antonio Water System, and all City boards and commissions other than those which are purely advisory. In this instance a City employee is defined as any employee of the City who is required to file a financial involvement report pursuant to the City’s ethics ordinance.

2. PREPARATION OF BIDS

Bids will be prepared in accordance with the following:

- (a) All information required by the bid form shall be furnished or the bid may be deemed non responsive. The bidder shall print or type name and manually sign the schedule.
- (b) Where there is an error in extension of price, the unit price shall govern. Any bid that is considered for award by each unit or line item, must include a price for each unit or line item for which the bidder wishes to be considered. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of the City.

Any bid that is considered for award on an “all or none” basis must include a price quote for all units or line items. In an “All or None” bid, a unit price left blank shall be tabulated as a “zero”, and shall be deemed to be offered at no cost to the City.

- (c) Alternate bids may be allowed at the sole discretion of the City.
- (d) Proposed delivery time must be shown and shall include weekends and holidays, unless specified otherwise in this IFB.
- (e) Bidders will neither include federal taxes nor State of Texas limited sales excise and use taxes in bid prices since the City of San Antonio is exempt from payment of such taxes. An exemption certificate will be signed by City where applicable upon request by bidder.

3. DESCRIPTION OF SUPPLIES

Any catalog or manufacturer's reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate type and quality of material. Each bid must clearly identify the proposed product, the quantity of the product, model, and type, as applicable. Prorata adjustments to packaging and pricing may be allowed at the sole discretion of the City.

4. ASSURANCE OF COMPLIANCE - EQUAL EMPLOYMENT OPPORTUNITY AND SMALL BUSINESS ECONOMIC DEVELOPMENT (SBEDA) PROGRAM

It is the policy of the City of San Antonio that Small, Minority, African-American and Women Business Enterprises shall have the maximum practicable opportunity to participate in the performance of public contracts. Bidder agrees that if this bid is accepted, he/she will not engage in employment practices which have the effect of discriminating against employees or prospective employees because of race, color, religion, national origin, sex, age, handicap or political belief or affiliation. In addition, bidder agrees, by submittal of this bid, that he/she will abide by all applicable terms and provisions of this Nondiscrimination Clause and the Small Business Economic Development Advocacy (SBEDA) Program Policy Ordinance. This clause and policy are available in the City Clerk's Office and the City's Economic Development Department.

5. SAMPLES, DEMONSTRATIONS AND TESTING

At the City's request and direction, bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested prior to award of the contract, upon delivery and/or at any point during the term of resulting contract. After notification, samples, demonstrations and/or testing must be provided within **ten** days. Failure to provide samples prior to award of contract will disqualify bidder from consideration. All samples (including return thereof), demonstrations and/or testing shall be at the expense of the bidder. Samples will be returned upon request; otherwise, samples will become property of the City of San Antonio, **ten** days after award of the contract.

6. SUBMISSION OF BIDS

- (a) **Sealed bids in triplicate** shall be enclosed in sealed envelopes addressed to the City Clerk, City of San Antonio. The name and address of bidder, the date and hour of the bid opening, bid number and title of the bid solicitation shall be marked on the outside of the envelope(s).
- (b) Bids must be submitted on the forms furnished. Bids, however, may be modified provided such modifications are sealed and received by the City Clerk prior to the time and date set for the bid opening. However, the City of San Antonio shall not be responsible for lost or misdirected bids or modifications.
- (c) By submittal of this bid, bidder certifies to the best of his/her knowledge that all information is true and correct.

7. REJECTION OF BIDS

- (a) The City may reject a bid if:
 - 1. The bidder misstates or conceals any material fact in the bid; or
 - 2. The bid does not strictly conform to law or the requirements of the bid;
 - 3. The bid is conditional, except that the bidder may qualify the bid for acceptance by the City on an "All or None" basis or a "Best Value Item" basis. An "All or None" basis bid must include all items upon which bids are invited.

- (b) In the event that a bidder is or subsequently becomes delinquent in the payment of his, her or its City taxes, including state and local sales taxes, such fact shall constitute grounds for rejection of the bid, or if awarded the bid, for cancellation of the contract. However, the City reserves the right to deduct any delinquent taxes from payments that the City may owe to the delinquent bidder as a result of such contract.
- (c) The City may, reject all bids whenever it is deemed in the best interest of the City to do so, and may reject any part of a bid unless the bid has been qualified as provided in Par. 7 (a) 3 above. The City at its sole discretion may also waive any minor informalities or irregularities in any bid, to include failure to submit sufficient bid copies, failure to submit literature or similar attachments, or business affiliation information.

8. WITHDRAWAL OF BIDS

Bids may not be withdrawn after the time set for the bid opening, unless approved by the City Council.

9. LATE BIDS OR MODIFICATIONS

Bids and modifications received after the time set for the bid opening will not be considered.

10. CLARIFICATION TO BID SPECIFICATIONS

- (a) If any person contemplating submitting a bid for this contract is in doubt as to the true meaning of the specifications, other bid documents, or any part thereof, he/she may submit to the City Director of Purchasing and General Services, (Director) on or before seven calendar days prior to scheduled opening, a request for clarification. All such requests for information shall be made in writing and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the bid, if made, will be made only by Addendum duly issued. A copy of such Addendum will be posted to the City's website at <http://epay.sanantonio.gov/RFPListings/>. It is the responsibility of a bidder to review this site and ascertain whether any amendments have been made prior to submission of a bid. The City will not be responsible for any other explanation or interpretation of the proposed bid made or given prior to the award of the contract. Any objections to the specifications and requirements as set forth in this bid must be filed in writing with the Director on or before **seven** calendar days prior to the scheduled opening.
- (b) The City reserves the right to request clarification to assist in evaluating the bidder's response when the bid response is unclear with respect to product pricing, packaging or other factors. The information provided is not intended to change the bid response in any fashion and such information must be provided within **two** days from request.

11. INVOICING, PAYMENT AND DISCOUNTS

- (a) Address for Invoices. All invoices must be sent to: City of San Antonio, Attn: Accounts Payable, P.O. Box 839976, San Antonio, Texas 78283-3976.
- (b) Information Required On Invoice.

All invoices must be in a form and content approved by the City. City may require modification of invoices if necessary in order to satisfy City that all billing is proper and pursuant to the terms of the contract. Invoices are required to show each City Purchase Order Number. Invoices must be legible. Items billed on invoices must be specific as to applicable stock, manufacturer, catalog or part number (if any). All invoices must show unit prices for each item being billed, the quantity of items being billed and the total for each item, as well as the total for all items on the invoice. If prices are based on list prices basis, then the list prices, the percentage discount or percentage surcharge, net unit prices, extensions and net total prices must be shown. Prompt payment discounts offered shall be shown separately on the invoice.

- (c) Payment by City. City shall have not less than 30 days to pay for goods or services. Time for payment, including payment under discount terms, will be computed from the later of: (1) the date the City receives conforming goods under the contract; (2) the date performance of the service under the contract is completed;

or (3) the date the City receives a correct and valid invoice for the goods or services. Payment is deemed to be made on the date of mailing of the check. Payment is made in US dollars only.

This provision shall not apply where there is a bona fide dispute between the City and Vendor about the goods delivered or the service performed that causes the payment to be late, or where the invoice is not mailed to the address provided herein.

The payment amount due on invoices may not be manually altered by City personnel. Once disputed items are reconciled, Vendor must submit a corrected invoice, or a credit memorandum for the disputed amount, or the item must be issued by the vendor. City will not make partial payments on an invoice where there is a dispute.

- (d) **NECESSITY OF TIMELY INVOICE / WAIVER OF PAYMENT.** NOTWITHSTANDING THE FORGOING, THE CITY CANNOT PAY FOR ANY GOODS OR SERVICES WITHOUT AN INVOICE. VENDOR MUST INVOICE CITY NO LATER THAN 90 CALENDAR DAYS FROM THE DATE GOODS ARE DELIVERED OR SERVICES RENDERED. FAILURE TO SUBMIT AN INVOICE WITHIN SAID 90 DAY SHALL NEGATE ANY LIABILITY ON THE PART OF CITY AND CONSTITUTE A **WAIVER** BY VENDOR OF ANY AND ALL RIGHT OR CLAIMS TO COLLECT MONEYS THAT VENDOR MAY RIGHTFULLY BE OTHERWISE ENTITLED TO FOR GOODS OR SERVICES PERFORMED.
- (e) The total price for all goods and/or services is shown on the Price Schedule. No additional fees or expenses of Vendor shall be charged by Vendor nor be payable by City. The parties hereby agree that all compensable expenses of Vendor are shown on the Price Schedule. If there is a discrepancy on the Price Schedule between the unit price for an item, and the extended price, the unit price shall govern.
- (f) **Tax Exemption.** The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Bidders must not include such taxes in bid prices. An exemption certificate will be signed by City where applicable upon request by bidder after contract award.
- (g) **Prompt Payment Discount.** Provided Bidder meets the requirements stated herein, City shall take Bidder's offered prompt payment discount into consideration in determining who the low bidder is. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the bid price, either per line item or total bid amount. However, the City reserves the right to reject a discount if the percentage is too low to be of value to the City, all things considered. The City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

The City will not consider discounts that provide fewer than 10 days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in bid evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the bid price during bid evaluation, and the City will take the 2% discount if the invoice is paid within the 10 day time period.

12. AWARD OF CONTRACT

- (a) Per Section § 252.043 of the Texas Local Government Code, the contract will be awarded to the lowest responsible bidder.
- (b) The City reserves the right to accept any item or group of items on this bid, unless the bidder qualifies his/her bid by specific limitations, in accordance with Par.7 (a) 3 above.
- (c) A written award of acceptance (manifested by a City Ordinance) and appropriation mailed or otherwise furnished to the successful bidder results in a binding contract without further action by either party.
- (d) The City of San Antonio reserves the right to utilize previous purchases as a basis for evaluation of bids when future usages are unable to be determined.

- (e) Breaking of tie bids shall be in accordance with the Texas Local Government Code § 271.901.
- (f) Although the information furnished to bidders specified the approximate quantities needed, based on the best available information where a contract is let on a unit price basis, payment shall be based on the actual quantities supplied. The City reserves the right to delete items, prior to the awarding of the contract, and purchase said items by other means; or after the awarding of the contract, to increase or decrease the quantities bid in accordance with § 252.048 of the Texas Local Government Code. No changes shall be made without written notification of the City.

13. BID PROTEST PROCEDURES

Any bidder who is adversely affected in connection with the solicitation, evaluation, or proposed award of a contract may file a protest with the Director of Purchasing & General Services and appeal any adverse decision to the City Manager of the City of San Antonio.

Vendor must deliver a written notice of protest to the Purchasing & General Services Director within seven (7) calendar days of the posting of the intent to award. It is the vendor's responsibility to check the City's website posting.

14. DEBRIEFING

Debriefing of contract award is available upon request and after award of the Contract.

15. CONTRACT TERMINATION

TERMINATION-BREACH:

- (a) Should vendor fail to fulfill in a timely and proper manner, as determined solely by the Director, its obligations under this contract, or violate any of the terms of this contract, the City shall have the right to immediately terminate the contract, in whole or in part. Notice of termination shall be provided in writing to the contractor, effective upon the date set forth in the notice. Such termination shall not relieve the vendor of any liability to the City for damages sustained by virtue of any breach by the vendor.

TERMINATION-NOTICE:

- (b) The City may terminate this contract, in whole or in part, without cause. The City shall be required to give the vendor notice **ten** days prior to the date of termination of the contract without cause.

TERMINATION-FUNDING:

- (c) City retains the right to terminate this contract, in whole or in part, at the expiration of each of City's budget periods. This contract is conditioned on a best efforts attempt by City to obtain and appropriate funds for payment of any debt due by City herein.

16. DELIVERY OF GOODS/SERVICES

- (a) All materials are to be delivered F.O.B., City of San Antonio's designated facility.

- (b) Delivery dates pertaining to this invitation must be clearly stated in the bid form where required and include weekends and holidays. Failure to comply with this requirement may be a cause for disqualification of the bid. Unless otherwise specified, delivery at the earliest date is required. The bidder will clearly state in the bid the time required for delivery upon receipt of contract or purchase order. Proposed delivery time must be specific and such phrases “as required”, “as soon as possible” or “prompt” may result in disqualification of the bid.
- (c) Upon award of a contract, the vendor is obligated to deliver the goods to the destination specified in the Invitation for Bids or the Purchase Order and bears the risk of loss until delivery. If this Invitation for Bids or Purchase Order does not contain delivery instructions, bidders shall request instructions in writing from the Director. If the delivery instructions contained in the Invitation for Bids allocate delivery costs and risks in a manner contrary to this section, the provisions of this Invitation for Bids shall prevail.
- (d) When delivery is not met as provided for in the contract, the Purchasing Department reserves the right to make the purchase on the open market, with any cost in excess of the contract price paid by the vendor, in addition to any other damages, direct or consequential, incurred by the City as a result thereof. In addition, failure of the vendor to meet the contract delivery dates will be cause for removal of the vendor from the City’s list of eligible bidders as determined by the Purchasing & General Services Department.

17. PERFORMANCE DEPOSIT

- (a) The following provisions shall apply only when a performance deposit is specified as required in this Invitation for Bids.
- (b) The successful vendor must furnish the City of San Antonio with a performance deposit in the amount set forth in the Invitation For Bids. This deposit is not to be submitted with the bid, but must be presented to the Purchasing & General Services Department within **ten** days from request.

- (e) The performance deposit of the successful vendor shall be returned by the City upon completion of the contract and final acceptance of all items in accordance with conditions thereof.
- (f) Failure of successful vendor to perform any of the services required by this contract within **ten** days of receipt of written demand for performance from City, or failure of vendor to correct or replace defective goods or products within **ten** days from receipt of written demand therefore, shall constitute a total breach of this contract and shall cause this contract to terminate immediately upon the expiration of the ten day period. In the event of such termination, the performance deposit shall be retained by the City of San Antonio as liquidated damages, based upon mutual agreement and understanding between vendor and City at the time this bid is solicited, submitted and accepted, that the City of San Antonio is a governmental agency engaged in public projects, and that the measurement of damages, which might result from a breach of the terms and specifications herein is difficult or impossible to determine. However, the Director with the concurrence of the City Manager, may return all or part of the performance deposit to the vendor if the Director determines, in the Director’s sole discretion, that the failure to perform the conditions of this contract was the result of acts or events over which the vendor had no control. The determination shall then be final and binding on all parties.

23. ACCEPTANCE BY CITY

The City shall have a reasonable time (but not less than 30 days) after receipt to inspect the goods and services tendered by vendor. The City at its option may reject all or any portion of such goods or services which do not, in City's sole discretion, comply in every respect with all terms and conditions of the contract. The City may elect to reject the entire goods and services tendered even if only a portion thereof is nonconforming. If the City elects to accept nonconforming goods and services, the City, in addition to its other remedies, shall be entitled to deduct a reasonable amount from the price thereof to compensate the City for the nonconformity. Any acceptance by the City, even if non-conditional, shall not be deemed a waiver or settlement of any defect in such goods and services.

24. WARRANTY

- c. Bidders' facilities and equipment may be a determining factor in making the bid award. All bidders may be subject to inspection of their facilities and equipment.
4. Price must remain firm for the initial contract period (first year). Award will be made per line item.
5. The City reserves the right to make an award on the basis of low line item, low total of line items, or in any other combination that serves the best interest of the City and to reject any and all bid items at the City's sole discretion.
6. All packing lists, delivery tickets, and invoices shall reference the applicable purchase order number, receiving department, number of items ordered, number of items delivered, and a description of the items.

GENERAL REQUIREMENTS:

1. The City will not be responsible for any quantities of supplies that the contractor stocks in anticipation of orders against this contract.
2. Deliveries must be inside deliveries made directly to requesting department at location specified on order. Deliveries must be made between the hours of 8:00 A.M. and 3:00 P.M., Monday through Thursday, unless otherwise specified at time of order. Contractor shall deliver to any City of San Antonio facility located within the city limits. The vendor shall make deliveries no later than **five (5) calendar days** from date of receipt of the purchase. With **no minimum orders** required. If the contractor is unable to meet the required delivery schedule, the City of San Antonio reserves the right to purchase items on the open market and charge the difference to the contractor.
3. The City of San Antonio reserves the right to place orders for as few as one each of any item. Bids received with required minimum order quantities may be rejected.
4. The items furnished shall be the latest product commercially available and shall be of the highest quality. Only new and unused items shall be delivered against this contract. All items shall be delivered in original packaging.
5. BRAND NAMES: Manufacturer names, brand names, and product numbers used herein are for the purpose of describing and establishing tested, compatible, approved and acceptable products that are of the type and quality of products required by the City. The use of pre-approved brands are not intended to limit competition, therefore the phrase "or equal" is added. For purposes of this contract, the proposed "or equal" products shall require close adherence to the established standards of performance and quality inherently derived and reasonably expected from brand products specified herein. "Of equal" determination will be made solely by the City of San Antonio.
6. PRODUCT LITERATURE: Bidder's proposing "or equal" products shall submit manufacturer specification sheet(s) for each proposed product with bid response. Product specifications shall be the most current available and be sufficiently detailed and descriptive so as to permit the City to determine the product(s) suitability and compliance with bid specifications. Failure to submit product specifications in the time and manner as specified may result in bid disqualification. Bidder's proposing "or equal" products are not required to provide samples with bid submittal. However, upon request by the City's Purchasing & General Services Department, "or equal" product samples shall be furnished in sufficient quantity within 3 days after request. For evaluation purposes, samples may be consumed to measure performance and suitability.
7. No substitutions shall be made in lieu of items ordered without authority to do so from the City of San

Antonio. If items under contract are discontinued or become unavailable from any manufacturer during the duration of the contract, the City reserves the right to require the contractor to offer substitutes of equal quality/value. The City of San Antonio reserves the right to accept or reject substitutes, and in the case of rejections the City of San Antonio may cancel the item or items in question and purchase independent of this contract.

8. There shall be no restocking charge to the City for return or exchange of any item purchased under the terms of this contract. If the City wishes to return or exchange items purchased under this contract during the contract term, contractor shall permit exchange of items at no charge. If there is a difference in price of the items exchanged, vendor shall invoice the City for the difference or provide the City with a credit for any decrease in price. On items returned, vendor will issue a credit to the City. This return and exchange option shall extend for thirty (30) days following the expiration date of the contract period. All items returned by the City shall be unused and in the same merchantable condition as when received. Items special ordered by the City and/or not normally stocked by the contractor may be returned only upon approval by the contractor.
9. **REVISION OF MANUFACTURER'S PRICE LIST(S):** The bid will be based on manufacturer's latest dated price list(s). Said price list(s) must denote the manufacturer, latest effective date and price schedule. It is agreed that any published price list(s) may be superseded or replaced on the anniversary date, (January 1), of the contract only if such list(s) is published by the manufacturer for industry wide use. (*NOTE: Discounts accepted as part of this bid are not subject to revision.*) A written notice stipulating in detail the changes of a price list(s) must be furnished and approved by the City before revisions go into effect.
10. All subject price lists should be submitted with this bid and shall become a part hereof. However, if in the opinion of the City Purchasing & General Services Administrator, it is impractical for bidder to include published price lists as part of this bid and to furnish any price lists and/or written changes as required herein, bidder shall permit the Purchasing & General Services Administrator or his/her authorized representatives to inspect the pertinent published price lists and/or written changes in the office of the bidder
or at any other location approved by the Purchasing & General Services Administrator. However, if the City Purchasing & General Services Administrator approves said price list(s) other than the manufacturer's price list(s), said price list(s) must denote the company name, effective date and price schedule. It is agreed that any price list provided other than the manufacturer's may **NOT** be superseded or replaced during the contract period.
11. **Specified Items:** Are listed for comparison only to verify pricing in the evaluation process.
12. All prices will be quoted F.O.B., designated City of San Antonio facility. All bids will be submitted in triplicate and will include complete manufacturer's specifications for each model being bid.
13. To be considered for award of a specific line item, bidder must be able to supply all items in identified catalog.
14. **Equipment:** The equipment shall be new and manufacturer's standard model in current production; shall comply with all performance specifications; include all standard functions, features and accessories as advertised or otherwise represented by the Vendor and/or Manufacturer. The equipment shall conform in strength, quality of material and workmanship to the accepted standards of the industry. Equipment is to be inspected and ready for operation upon delivery. Equipment offered under the below listed specifications will be considered unacceptable.
15. **Warranty:** Equipment must include the maximum standard manufacturer's warranty on all components,

with parts and service included. This City requires a minimum one-year warranty. If manufacturer's warranty exceeds this warranty, the manufacturer's warranty shall prevail. A copy of the manufacturer's warranty must be included with bid submittal. A copy of the proposed optional Extended Warranty shall also be submitted. All warranty times shall start the date the equipment is placed in service, not on the delivery date. All warranty repairs must be completed within three (3) business days from the date equipment is delivered to the vendor unless otherwise approved by the appropriate City of San Antonio stock control supervisor. Vendors must certify that all repairs needed after the warranty period will be available.
